

Nominating Committee Report  
North Central Region  
Fall 2003  
November 6, 2003  
Report Prepared by Larry Easterling, Chair

There have been some significant changes in our nominating process for this year. The National ACPE Conference is now in the Fall of each year. Given this change, the NCR Board decided to extend our regional classes for six months. For instance, if you were serving in the class of 2003, instead of your term ending on December 31, 2003, your term now ends on June 30<sup>th</sup>, 2004. (Reported on in May and November 2003 NCR Newsletters) The National ACPE Conference is packed with events, conference presentations, committee and commission meetings. To also add a regional election during the national meeting seemed to be adding too much for our regional meeting at the national conference. In addition not everyone can afford to travel to national conferences. So, our regional elections will be in the Spring (May 2-4, 2004) at Chula Vista.

All of this being said, we still have three national committee/commission positions to fill, as the national classes will remain on a calendar year. And we have a new regional committee that was born out of the combination of The Development, Theological Education and Process Improvement Committees.

The National Openings and Nominations are:

**ACPE Board of Representations, class of 2006:**

Edith Finsaadal \_\_\_\_\_

**Certification Commission, class of 2006:**

Lyle Greiner \_\_\_\_\_

**Standards Committee, class of 2006:**

Open, because Noel Brown will become national chair in January of 2004. Noel recommends that we not elect someone until the role becomes clearer, as the role of Standards is changing.

**Strategic Planning Committee** (One member needs to be NCR Board Member)

Peter Holland, chair (2006) \_\_\_\_\_
