IV. SUMMARY

We have eighteen supervisory candidates in our region. Since the beginning of 1999, two candidates (Ellen Swinford and Sue Ott Holland) became associate supervisors, and six associates were granted ACPE supervisor status (Bill DeLong, Sheryl Wurl, Laura Kelley, Dean Meeter, Joe Czolgosz, & Elizabeth Larson). A workshop for SITs and candidates is being offered at the regional gathering. Guidelines and standards are also being considered for supervisors who provide supervisory training, and a pre-conference workshop for next spring's national convention has been proposed.
