- St. Luke's Medical Center, Milwaukee WI, Gene Leffingwell, Primary Supervisor

Recommendation that the following centers be granted continued accredited membership to offer programs of ACPE-CPE and Supervisory CPE, no notations:

- Advocate Health Care System, Park Ridge IL, Mary Wilkins, Primary Supervisor
- Good Samaritan Society, Minneapolis MN, Gary Sartain, Supervisor

Tabled action on Midwestern Regional Medical Center, Zion IL as the center is vacant

Committee discussion re Five Year Process:

- + helpful dialogue between reviewers and centers
- + helpful in preparation for the Ten Year Review
- + annual reviewers' involvement in Five and Ten Year Reviews provides continuity

- process seems to focus on programs with residencies; other creative programs don't get similar attention
- need for clarity as to which Standards are used for self study
- continued need for summary of standards changes from Standards Commission -need for consistency in review guidelines

Center changes:

- St. Mary's, Duluth, satellite of City of Lakes Transitional Care Center, for the Summer 2001 program
- Wausau Hospital, Wausau: CPE Ministry Program is no longer satellite, new Supervisor, William Tallevast (note: CPE Ministry Program, Gerri Krautkramer, Supervisor, is now a satellite of Lutheran Homes of Oshkosh)
- North Dakota State Hospital vacant, John Serkland has retired
- Vista Health vacant, George Franke has retired
- Rochester Methodist is now named "Mayo Clinic CPE"

THERE CONTINUES TO BE A GREAT SITE VISITORS. PLEASE CONSIDER REQUESTS TO SERVE IN THIS IMPORTANT WORK AS AN ESSENTIAL AND SHARED PART OF ORGANIZATION. ACCREDITATION NEEDS YOU.
